EARTH FORCE

SUSTAINABILITY CHALLENGE

THE SHORTCUT

1

DEFINE YOUR LOCAL COMMUNITY

This could be your school, your school district, your neighborhood, your town, etc

2

CHOOSE YOUR SUSTAINABILITY METRIC TO EXPLORE

- Carbon emissions within my food system
- Water usage within my food system
- Support to organic lands
- Antibiotics used in meat production
- Soil health for production

Once you have a community and a metric, you'll investigate to find an issue!

3

WHAT CAUSES YOUR ISSUE?

Identify the factor(s) that contribute to your food system issue. What local rules or practices are you trying to change?

4

DESIGN YOUR ACTION PLAN

What decision-maker are you asking for a change? Do you need money to work on your project? Fill out the budget form on the next page and submit your plan by January 31, 2022!

Submit your action plan + budget for funding: earthforce.org/csc

WIN UP TO \$1,000*

Tell us what you did! Submit your Action Story (could be a video, audio, or a write-up!) by March 31, 2022 at earthforce.org/csc
